## Breakthrough on 20 mph limits: Police confirm they will enforce them

**Contrary to what Transport for Buckinghamshire has often said**, the Thames Valley Chief Constable has now confirmed that it is up to local councils to set the speed limit and for the police to enforce it. He clarified this after a question from **Councillor David Lyons** at a recent Council meeting. This means that villages, like Cuddington, wanting a 20 mph speed limit can now campaign confidently, knowing that they cannot be fobbed off by Transport for Buckinghamshire saying that the police will not enforce 20 mph limits. If you need support in your village contact David [David.Lyons@buckinghamshire.gov.uk](mailto:David.Lyons@buckinghamshire.gov.uk) or Gregory [greg61.gs@gmail.com](mailto:greg61.gs@gmail.com)

### TRAFFIC CALMING IN LONG CRENDON

Transport for Buckinghamshire has approved traffic calming measures at the entrance to Long Crendon on the Chearsley Road. The measures include a raised table to slow traffic and allow safer crossing, preceded by dragons' teeth road markings as you enter the village from Chearsley. Local residents opposed the idea of rumble strips, which cause vibration in neighbouring properties but welcome the idea of slowing traffic down and having a safe crossing point.

### The views of new residents

Gregory Smith has been surveying the newer homes in Haddenham to find out what people think of the village. He said "It is sad we are still not able to talk to people on the doorstep but I want people to know we are here for them if they need us". Residents can still fill in this survey online at <https://tinyurl.com/y85nmr96>

**WISHING YOU A HEALTHY 2021**

## CO-OP OPENING

Green Councillor, David Lyons, opened Haddenham's new Co-op on Pegasus Way on the 9<sup>th</sup> October.

## GLEBE DEVELOPMENT

Gregory Smith at the Glebe development site in Haddenham

Green campaigner, Gregory Smith, says that Haddenham Parish Council is right to oppose the application for 312 homes instead of 280 homes, by developer Dandara, near to the garden centre. He says "I want to see more affordable homes but not more houses in general. Haddenham is growing fast, with pressure on all our amenities".

## HELP WITH DELIVERY

Could you deliver the Village Green in your street? Please email [info@aylesburyvale.greenparty.org.uk](mailto:info@aylesburyvale.greenparty.org.uk) if you can. Your help would be much appreciated.

## LONG CRENDON SURGERY

Following the consultation and discussions with the Long Crendon Save our Surgery Working Group, the Parish Council and other bodies, the Clinical Commissioning Group has decided that it could support the development of a multi-use facility in the village that involved dispensing and some healthcare clinics. The Parish Council has provided money for an architect to draw up plans for the new facility, to be located at Greenings on the Cheersley Rd. This is positive news after much hard work by local people.

Residents are asked to make sure they get prescriptions dispensed at the surgery to ensure it receives the much-needed income.
